Late August was the starting point for all high school football players. Two weeks of two-a-days with sweat and pain was the beginning of conditioning.

Coach Jack Hays had a long hard season planned for his team.

Wewoka wanted revenge for the two preceding years. The defense scored twice and offense scored three times. Wewoka's only threat came in the first half. The final score was Panthers 35 Wewoka 0.

Noble, a conference contender who came up from class 1A, was next. During the first half Noble showed their Wish-

bone offense and slowed the Panthers, but in the second half PV picked Noble's offense apart and trounced them 20 to 0.

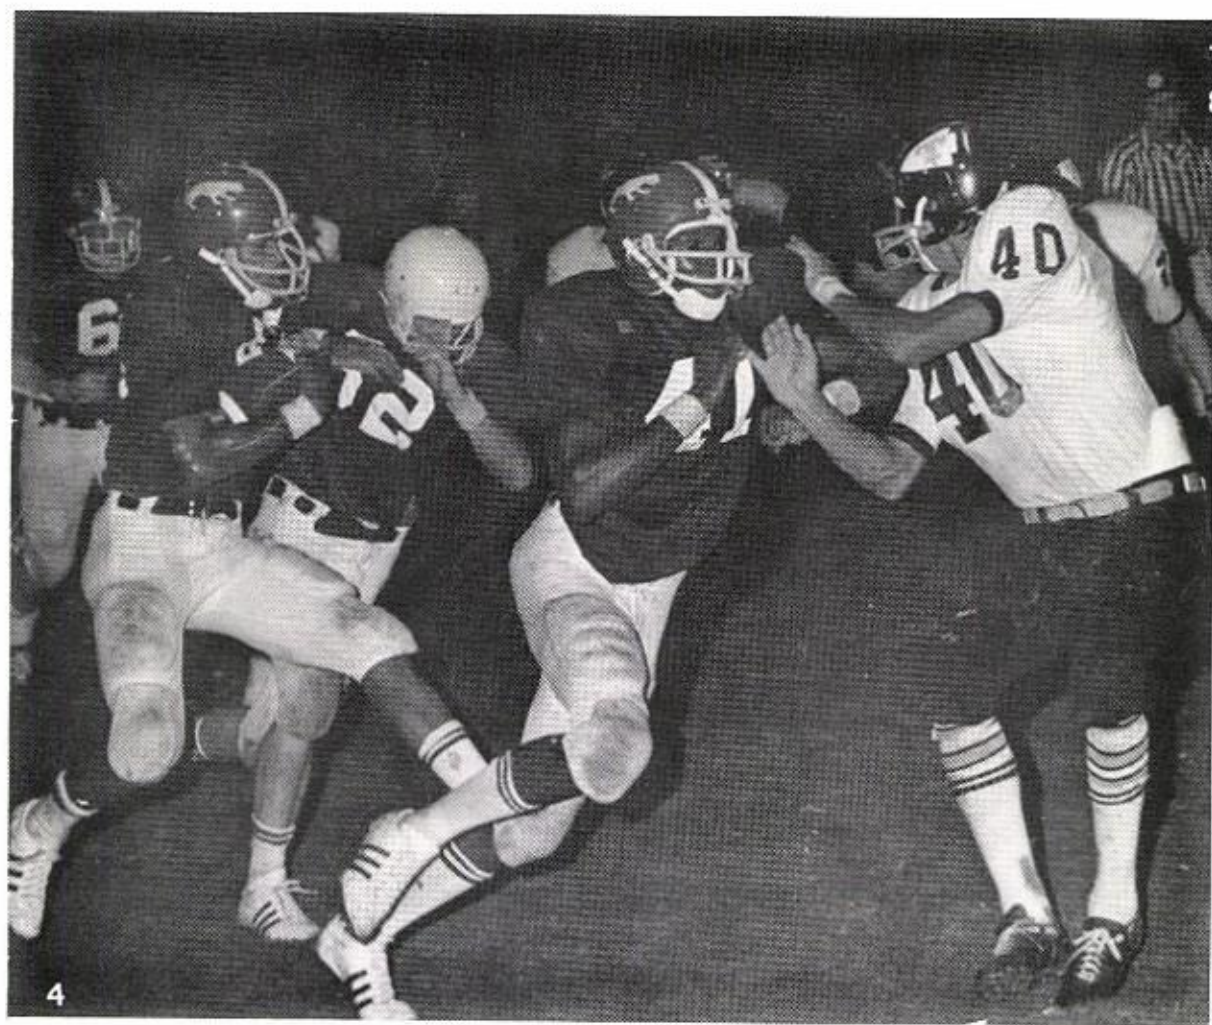

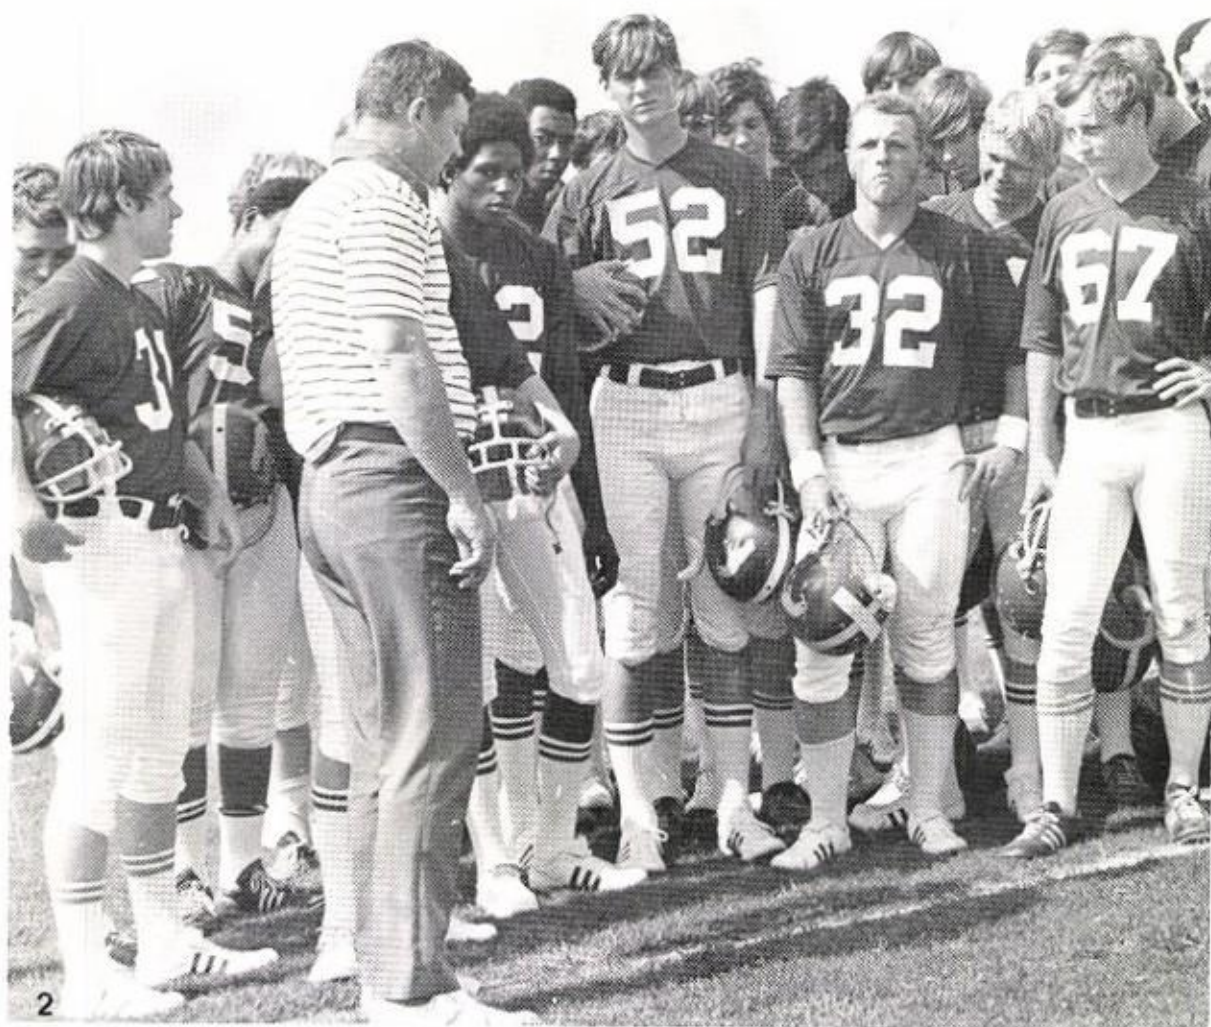

After playing in Noble's hot Bowl stadium, the Panthers were ready to go home and prepare for Tecumseh who proved to be no threat. Tecumseh, a much lighter and less aggressive team than the Panthers, came out on the short end as the Panthers ran over them. After two Greg Loman field goals, the score read Panthers 34, Tecumseh 0.

The Panthers met their match as they traveled to Comanche for a low scoring

defensive battle. Two well coached teams saw a lot of aggressive tackling and blocking. Players were disgusted after a referee decision and a penalty flag kept the Panthers from scoring. Comanche scored in the final minute of play to tie the game 7 to 7.

Hope and words were high the next week because of the Homecoming game with Wynnewood. Wynnewood controlled the scene, but quarterback Kent Shirley kept the Panthers in the game with his pin point passing. The game was a heart breaker, Panthers 23, Wynnewood 23.

Because of last year's de-

feat, Ada was looking for revenge. The Panthers came out in a new offense that fooled the Ada team. Panther Greg Loman used his 230 pounds at fullback and started with a burst off right guard for a sizeable gain. Then the Panthers marched down the field to score, but after Ada scored, and Panther mistakes, Ada was on top at the half 21-7 and won 28-22.

After a three game slump, the Panthers were ready to face the top contender of the conference.

The Panther defense was ready with something special just for Marlow's single wing offense. They had to win all future games to win the conference, because they could not depend on anyone else to control Lindsay and Comanche. Marlow, conference leaders, came out ready, but were defeated by PV's best offensive game as the Panthers rolled 21 points to Marlow's 8.

Ready and willing the Panthers traveled to Mustang. The rather small but tough Mustang team fought for the half-time lead of 12 to 7. Coach Jack Hays gave the Panthers a pep talk and they played like they owned the second half as they marched to a 21 to 12 victory.

Lindsay has always been the grudge game. All year the Panthers had been praised for their second half efforts, and they wanted to prove that they could put it together and win the most important game of the year. From the opening kickoff to the end of the first quarter both teams played errorless ball. Lindsay scored and converted for a 7 to 0 lead. The PV offensive line kept pounding away and the backs kept running until they scored before the half, but missed the extra point and the first half ended 7 to 6. The second half was pure Panther football. Lindsay never got going and never got a first down. The Panthers scored again, but missed the extra point again. Defensively the Panthers controlled the Lindsay team and it was the year's best defensive effort. Final score: Panthers 12, Lindsay 7.

Next the Panthers faced the Harrah Panthers who were not strong enough for the superior PV team and fell 40 to 0.

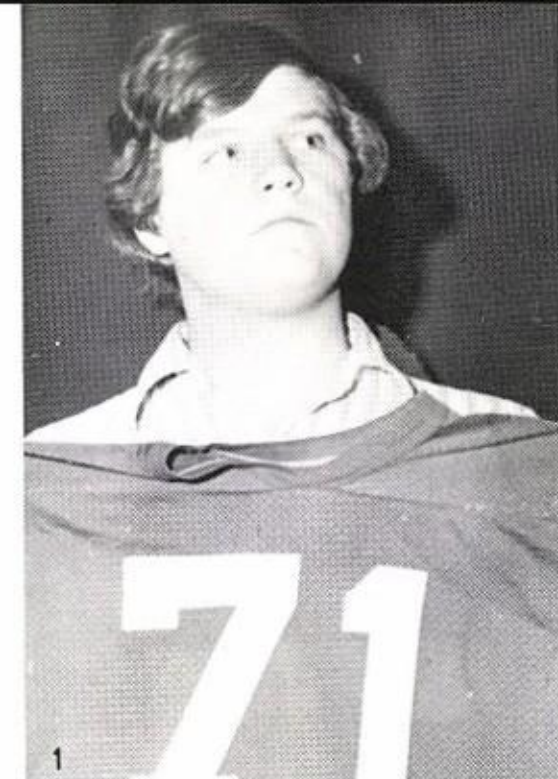

For the first time in league play the Panthers made it to the play-offs.

Seminole was the first foe. The howling Chieftains came out in their green and white and took command of the first half. In the rain and snow Pauls Valley held the powerful ground gaining team. The

Panthers scored on an end run and finally after scaring the coaches and fans PV won 13 to 12.

Back at home the Panthers faced the rugged Elk City team from out west. Cold and a wet field added to a rough and rugged game. Elk City's hope for contention fell, when running back David James scored the final touchdown to make the score 21 to 6 after an offensive battle.

The high riding Panthers, who for the first time were to fight for the State 2A crown, met Broken Bow at McAlester. Respectively the two teams were alike, not big, not little, with fast backs and hard hitting people. The game was fierce and hard, but the Panthers managed to score first to make it 7 to 0. When the second half started it was the same as the first half, tough, then Broken Bow scored twice to leave the Panthers

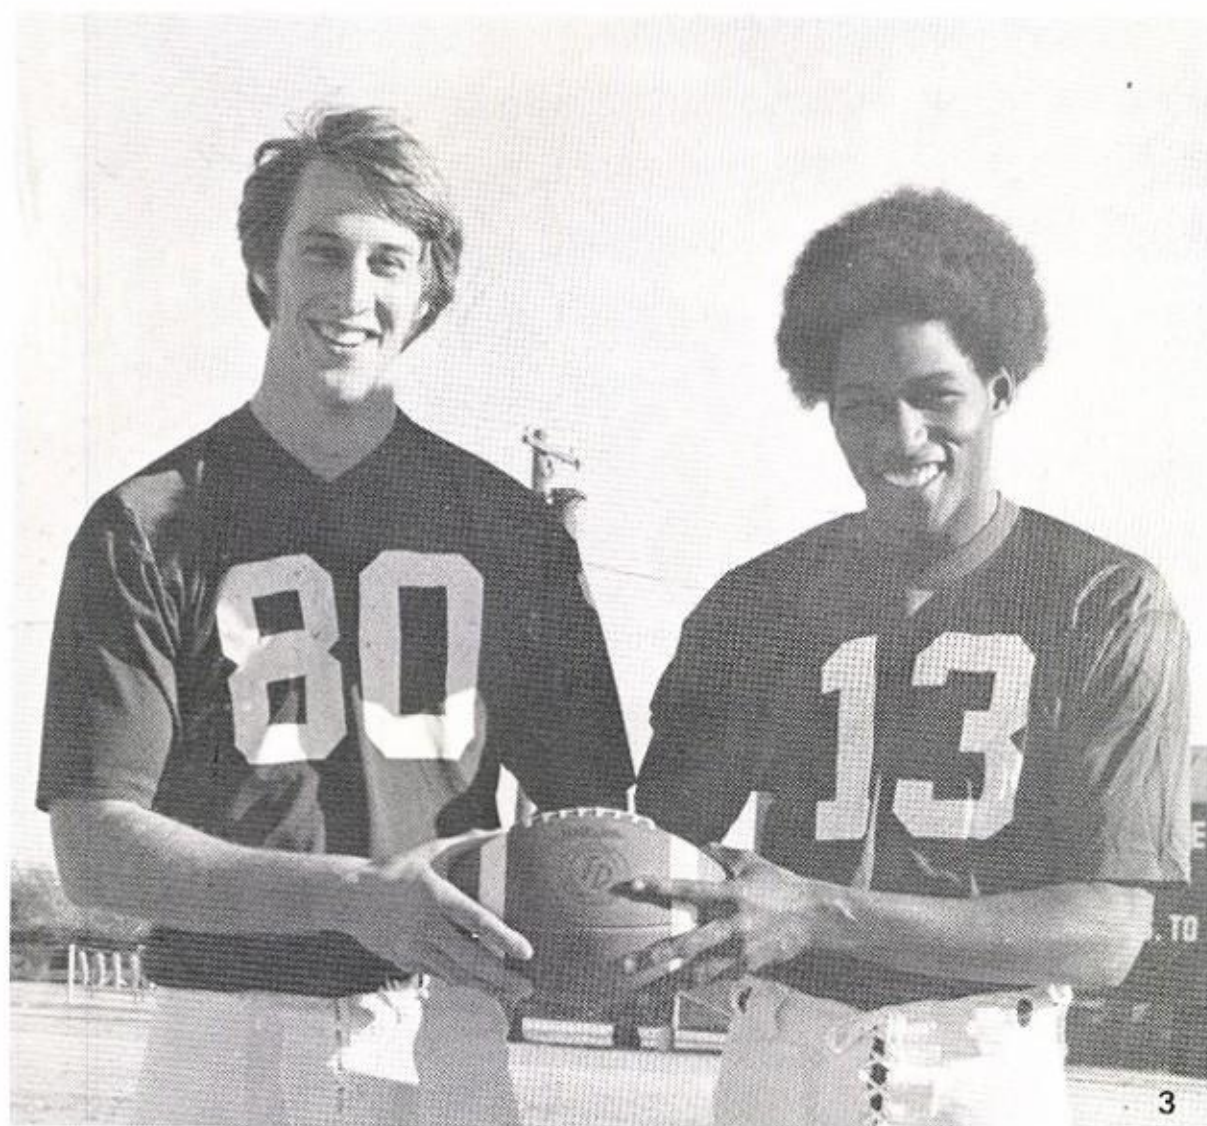

behind 12 to 7.

For the Panthers it was more than another game, it was their pride and the state crown they lost. For some of the players it was the last game they would play for Pauls Valley High. Tears fell from their faces, and then someone said, "That's alright, you'll get them next year," but the seniors knew that was not for everyone.

Final Panther record 9 wins, 2 losses and 2 ties.

After a slow start the cagers bounced back and finished with a 12-11 season. With several changes in the offense and finding the best one suited, the Panthers began to advance with winning results. PV took third in the Purcell tournament also winning their first game of the season against Chickasha in that tournament.

At one time during the season the Panthers had a winning streak of five before being upset by Ardmore. The Panthers tied for the Conference Championship with Noble and won the District Tournament at Wynnewood putting them in the Regional Tournament. This was the first time in four years that PV had gone to Regionals and it was heartbreaking to lose out to highly ranked Meeker and Wewoka.

Harold Jones, freshman, placed second in the state tournament at Tulsa. This was the greatest accomplishment in a year of ups and downs. Under Floyd Johnson, a new coach, matmen from freshmen

to seniors put together a spirited team. They attended tournaments in Cordell, Choctaw, and Hobart; the regional in Hobart and State 2A in Tulsa.

Track season from March to May . . . long bus trips . . . one dollar to eat on . . . sweating and straining . . . feeling dead tired after practice . . . building up leg muscles and long wind . . . going home early from the Junior-Senior Banquet because of the meet on April 28.

The Pauls Valley speedsters justified their fame in track by finally winning the State Class 2A crown. No injuries occurred to plague the team and 12 men journeyed to the state meet. Terry Peters was the only double winner, easily winning the 180 low hurdles and the 120 highs. David James took first in the 100 yd. dash with an excellent time of 9.6 and Kyle Doudican surprised no one by bringing

home a gold medal in the high jump. A fourth in the 440 relay, second in the 220 yd. dash, third in high jump, and fourth and fifth in the pole vault added to the firsts, gave Pauls Valley the state title for the first time in 11 years.

The Panthers also ran away with team trophies from the Little Dixie Relays in Idabel, the Southern Invitational in Duncan, the Cowboy Relays in Stillwater, the Wynnewood Invitational, the Arbuckle Conference, the Pauls Valley Invitational and the Regionals.

Mickey Ballard, David James, and Terry Peters were invited to participate in the Klein Southwest Track Festival. The top ten performers from five states are chosen each year.

1. Members of the winning track team are **FRONT ROW:** R. Tate, M. Ballard, T. Thomas, C. Hays, L. Brooks. **SECOND ROW:** Coach Jack Hays, T. Peters, R. Delancey, D. James, J. Dennis, R. Primrose, T. Hardy, Coach Harry Cheadle. **BACK ROW:** T. Felan, J. Chaufy, K. Doudican, K. Shirley, and M. Overstreet. 2. Mickey Ballard and Jeff Dennis both set meet records in the pole vault. 3. David James easily wins another 100 yard dash in record breaking time. 4. The mile relay men are **KNEELING:** Clint Hays, Kent Shirley. **STANDING:** Kyle Doudican and Terry Peters. 5. Terry Peters strains as he takes another hurdle on his way to a record setting time of 19.5 in the 180 low hurdles. Peters was honored at the Jim Thorpe awards banquet in Ponca City as one of the state's top track men.

*High hopes . . . pretty girls

. . . a losing season . . .*

After 20 years, girl's basketball returned to Pauls Valley. Out of 30 girls only 13 made the team. Hard work helped mold a team that stayed together even when the odds seemed impossible. In several games, the Panthers gave op-

posing coaches nervous headaches. However, inexperience proved fatal to the young team. They had a losing season despite the urging of Coach Jack Hays.

1. Sheila Stuckey doesn't agree with all the calls, but the referee neglects to ask for her opinion. 2. Opposition keeps the lane crowded, so Karen Fitzgerald takes an outside shot. 3. KNEELING: S. Smith, D. Rickert, K. Fitzgerald, S. Stuckey, C. Dacus, P. Belvin, D. Brown, and D. Johnson, manager. STANDING: Coach J. Hays, J. Stufflebean, C. Dennis, J. Blackburn, V. Jones, D. Davis, J. Tennis and golf were added to track and weights as spring sports this year.

Mickey Weiberg coached 11 tennis players through the season. They competed with Ada and Stonewall and eight players attended the State meet.

Coach Danny Schafer had six men out for golf and five entered the regionals. David Boiles placed ninth.

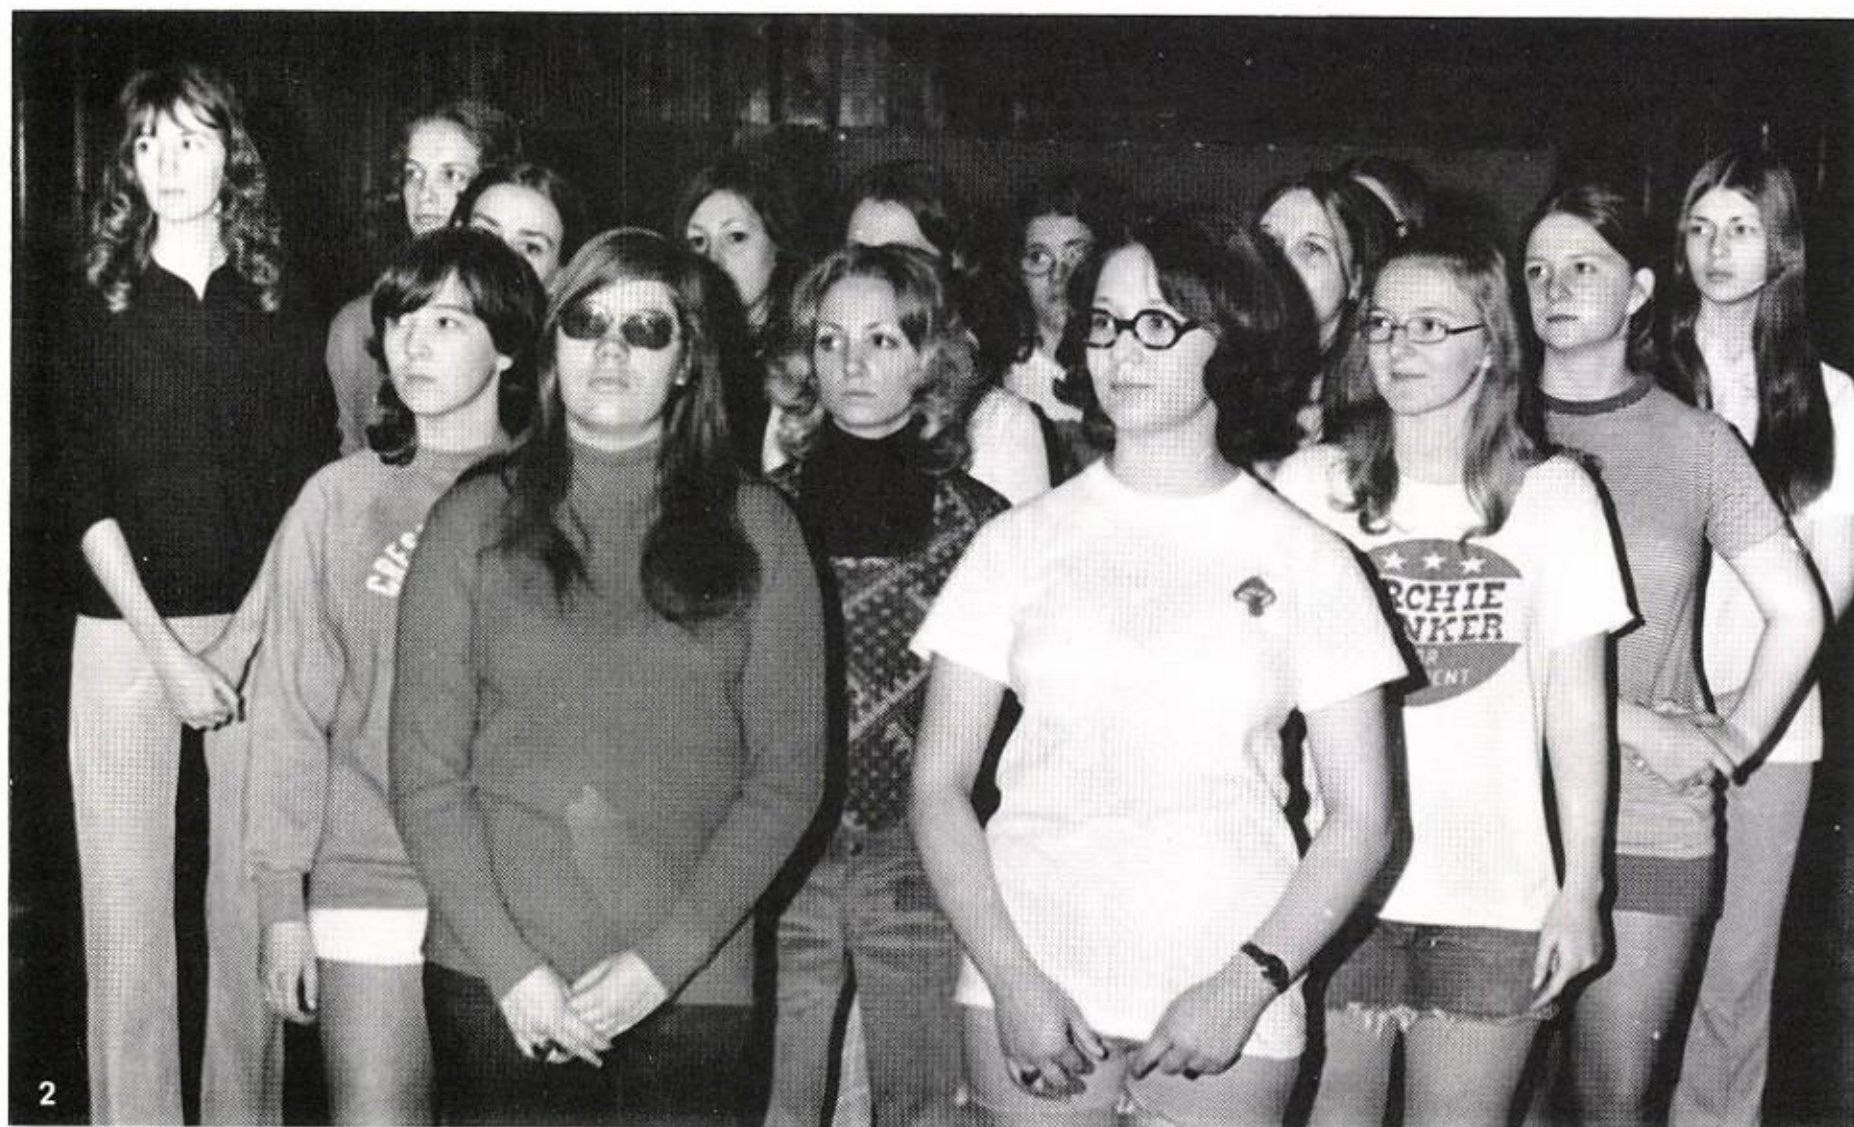

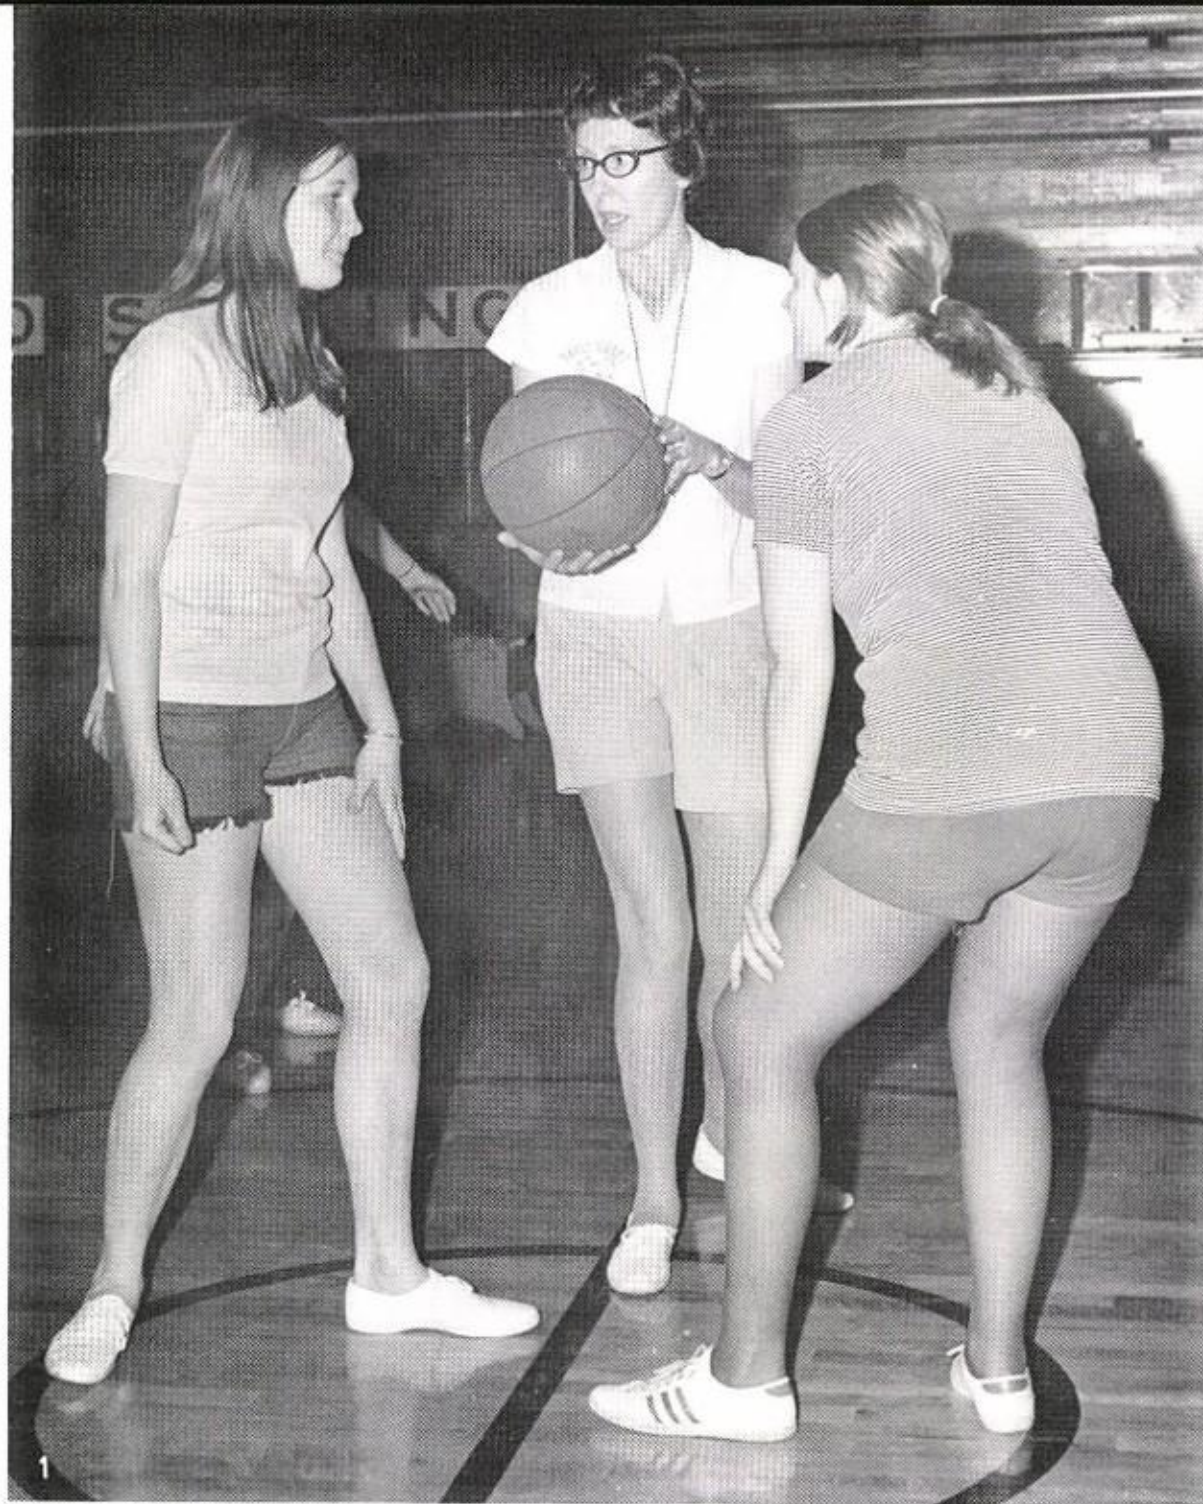

1. Members of the golf team are **FRONT ROW:** S. Suggs, D. Boiles, R. Jones, B. Boiles. **SECOND ROW:** Coach Schafer, D. Stiles, G. Zellner. 2. Members of the tennis team are **FRONT ROW:** E. Some form of PE was a part of the required curriculum for graduation. Games such as, volleyball, basketball, and battleball, plus calisthenics and long walks around the park increased the physical fitness and mental ability of the students.

1. Mrs. Shirley Tennison cautions players against committing fouls in a friendly game of basketball. 2. PE girls take time out after exercising to music. 3. **Battleball** is played with lots of enthusiasm in PE class. 4. PE boys pose in the gym before playing a vigorous game of volleyball.

Under new Head Coach Cheadle and assistants Danny Schafer and Floyd Johnson, the Cubs posted a 3-3 season.

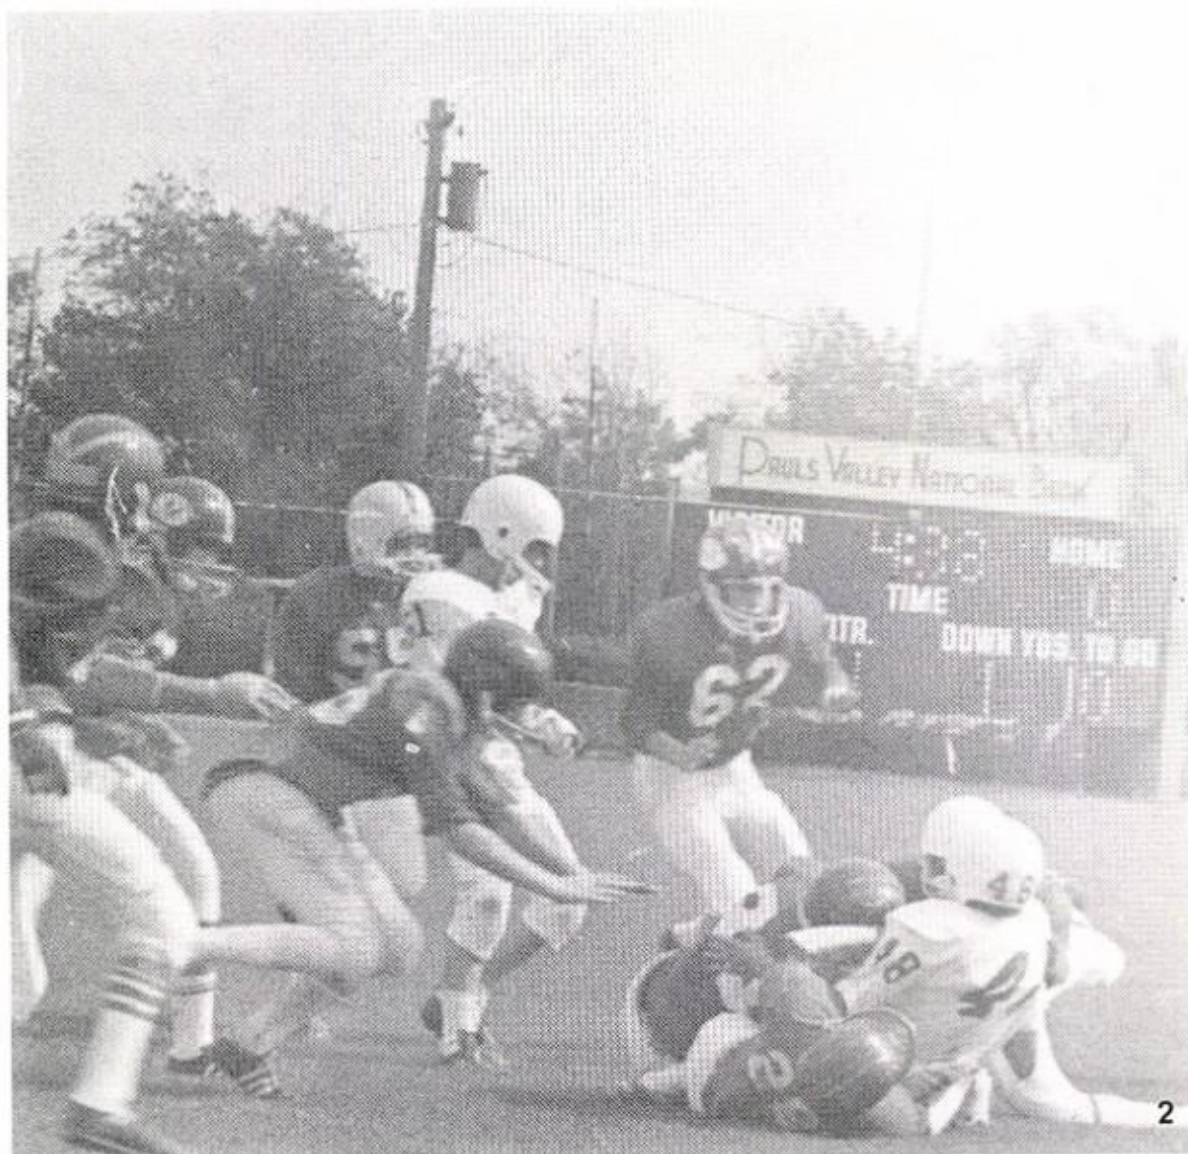

Injuries took Rickey Boles, Brett Smith, and Jerry Foster, and Greg Loman joined the high school squad.

Noon time is a good time when we all get together.

1973, a year of contrast

Many themes were chosen and then discarded as the yearbook staff searched for something to express 1973. Early in the year the football team went to the state play-offs and inspired the theme "Stand Up and Cheer". PVHS united to make outstanding achievements not only in athletics but in every phase of school life.

Successes and failures taught Pauls Valley students invaluable lessons in growing up. The staff found things to "cheer" about in a student who studied not for better grades, but for better understanding; and in the athlete who couldn't make the team but stuck it out anyway.

Enthusiasm for many things increased, for others it lessened.

The change from "School Spirit Week" to "School Spirit Day" evoked a large protest from the student body. While interest here ran high, membership in some organizations dropped.

Each year a journalism staff puts together a "memory" of the school year. The 1973 staff of the Panther gives with pride this "memory" of PVHS.
